CAREER PROFILE

Computer Science & Engineering student (7th semester) seeking a front-end development internship. Proficient in web development technologies including Next.js, ASP.NET, and JavaScript. Strong foundation in algorithmic problem solving with 200+ problems solved on Codeforces.

EDUCATION

BSc in Computer Science & Engineering

International Islamic University Chittagong • 7th Semester • Expected Graduation: July 2027

Higher Secondary Certificate (HSC)

Bepza Public School & College • GPA: 4.83 • 2021

Secondary School Certificate (SSC)

Kolokakoly High School • GPA: 4.75 • 2019

CAREER INTERESTS

Front-End Development • Web Development • Software Development

TECHNICAL SKILLS

Programming Languages: C, C++, Java, JavaScript

Front-End Development: HTML, Next.js, UI-Based Web Development

Frameworks & Technologies: ASP.NET / .NET, Next.js, Appwrite

Tools & Software: Visual Studio, Antigravity, phpMyAdmin

Problem Solving: Algorithmic Problem Solving, Competitive Programming

Other: Mathematics

FEATURED PROJECTS

ClassRep • Next.js, Appwrite

Developed a classroom management system for students and Class Representatives (CRs). Designed features to organize classroom-related activities and management tasks. Built the application using Next.js with Appwrite for backend services and data management.

Turf Management • ASP.NET / .NET

Developed a turf management application for organizing and managing turf-related activities. Designed a structured interface for managing turf information and related operations. Built the application using ASP.NET / .NET.

Online Shop • Java, JavaScript, phpMyAdmin

Developed an online shopping application for managing products and shop-related information. Implemented user-facing functionality for an online shopping experience. Used Java, JavaScript, and phpMyAdmin during project development.

COMPETITIVE PROGRAMMING & PROBLEM SOLVING

Solved 200+ programming problems on Codeforces. Practiced algorithmic problem solving, logical thinking, implementation, and programming fundamentals.
